Team DiCapua

At Union Home Mortgage Corp., every loan application we process is given the personal and professional attention it deserves. Our promise to you is to identify the best loan product – with the most attractive terms – for your unique situation. Union Home Mortgage Corp. and I recognize the importance of our clients' need to rely most heavily on a lending organization's resources, commitment to excellence and personal dedication. It is these qualities that truly separate a superior organization from the rest. I can promise you will find all of these qualities in us.

I have positioned a team of people ready to serve you. I am confident you will find our level of service and commitment is second to none. We truly appreciate your business and look forward to extending our services to you. Please do not hesitate contacting my team should you have any questions. We are at your service!

Core Responsibilities:

Loan Application creation, gather & review of supporting documentation, compilation and loan submittal.

After your loan application has been received and reviewed, my team will contact you for any outstanding items.

We will contact you once your loan is out of Underwriting and has been approved.

All loans contain lender conditions prior to closing. Once your loan is approved, my team will go over these conditions and assist you in getting these conditions satisfied.

Once you have chosen the provider and submitted their contact information for your Home Owners Insurance, we will assist in getting the proof of insurance.
